

Stewardship Cmt. (SC) Mtg 2-23-10

Attendees: Brusle Sherburne, Greg Herbek, Kathy Adams, Diane Schultz, Tammy Tucker, Mark Sadie, Bobby McClure, Dana Walker & Marie Manley.

The meeting began with prayer @ 6:45 pm.

The SC began with introductions and welcomes to two invited guests, Dana Walker and Marie Manley. We are thankful that they decided to come to the meeting and consider joining this ministry.

The primary focus of this meeting was to bring Dana and Marie "up to speed" on the purpose, focus, history, etc.. of the SC. A considerable amount of the meeting was devoted to this task.

Some general discussion on the upcoming activities and projects for the coming year were covered. This included the need for continuing our work with the welcoming cmt., and the yearly preparation of the time and talent directories.

Also, we began looking forward to new projects for 2010 which could include a phone call ministry, the development of neighborhood "mapping" to foster the welcoming process and the development of a parish survey to build up our parish database with information which could be used by the various ministries of the parish. (i.e. cancer survivor list, hobby / resource list, etc..).

The call to solicit individuals / couples to help coordinate future parish lenten missions was entertained.

New business: We need to determine the date of the next ministry roundtable during the June/July timeframe. The SC will be helping prepare the meager meals for Fri. March 12th.

The next meeting is tentatively scheduled for Tues. Apr. 13th, TBD.

The meeting concluded with prayer at 7:45 pm.
