

Stewardship Cmt Minutes 5-13-09

Meeting at the parish conference room began in prayer at approx. 7:30 pm. Members present: Brusle Sherburne, Greg Herbek, Diane Schultz, Jan Florey and Kathy Adams.

Recap and discussion of the two ministry roundtable events and the different dynamics and thoughts that came from each evening.

Diane Herndon of the Welcoming Committee will be invited to the next SC meeting and Becky Goff (Evangelization) will be invited to a later meeting.

Extension discussion on revamping the time and talent process and pamphlet and focus for this fall. Ideas included better utilizing the parish database to maintain and access individual ministry activity and talents. Perhaps turn focus of "sign-up" to critical need / vacant ministries, rather than "re-sign up" - especially for welcoming events (i.e. have sign up for specific events like RCIA reception, Sunday donuts, Neighborhood welcome team, welcome letters, etc...) Perhaps work on adding ministry sign-up to the parish registration form.

Consideration of the possibility of conducting a parish outreach to inactive Catholics via a "phone a thon" based on ideas and experiences gathered from the building in the spirit campaign.

Investigate expanding a section of the library to include apologetic literature.

Reconsider how often we update and print the ministries book. We will look into focusing our effort on maintaining a current PDF file on the church website and update as needed in real-time.

The next meeting is scheduled for Tuesday June 23rd, location TBD.

The meeting adjourned with prayer.
